

**Name:** Wendy Bos

**Function:** postdoctoral researcher

**Phone:**

**Email:** w.bos.1@erasmusmc.nl

**Room:**

---

### Research subjects

Informed consent for genome wide tests  
Ethics of medical research participation (especially in children).

### Biography

Wendy studied philosophy and pedagogical sciences at Utrecht University. Her PhD research focused on the ethics of medical research with children. She acquired her PhD in September 2017.

She currently works as a postdoctoral researcher on a project on informed consent for genome wide tests. This project is part of the research consortium ELSI personalized medicine.
